Webmail (SOGo)

Hosterra Email offers a webmail called SOGo. Powerful and easy to use, it's a complete alternative to client software for managing your messages, meetings and contacts.

> If you are not yet a Hosterra Email customer, you can test SOGo with the following credentials:
>
> **URL** https://hosterra.email/SOGo
> **User** `demo@example.com`
> **Password** `demo1234`
