

# Webmail (SOGo)

Hosterra Email offers a webmail called SOGo. Powerful and easy to use, it's a complete alternative to client software for managing your messages, meetings and contacts.

If you are not yet a Hosterra Email customer, you can test SOGo with the following credentials:

**URL** <https://hosterra.email/SOGGo>

**User** demo@example.com

**Password** demo1234
